The **3D TRADE CENTER** is a worldwide technological innovation. Starting in 2005, the 3DTC was rewarded with **10 international Prizes**.

The **3D TRADE CENTER** is an over-dynamized multi-sensor concentrate from exhibitors of all cultures, all activities, all countries that are present **24-hour a day, 7 days a week** on a unique market place created on a web format.

Ambitions and targets for everybody: **communicate** and **highlight** one's commercial offer, **leverage** the know-how.

Before 2011 - according to experts - yourself, your relatives, your family, all of you will be present on internet as avatars, in at least two virtual worlds: entertainment or business ones! NEW3S is indeed the **1<sup>st</sup>** actor in the e-Business-3D segment.

Here is the **new 3D social network**, in which the entire society found its reflecting mirror, 100% compatible to the sustainable environment.

It's **NEW**, it's **UNIQUE** and **100% EFFICIENT!**

Actual growth: a 2-digits monthly increase has been registered since its opening, in December 2007. The 3DTC has a permanent visibility in the SME Center, at the Paris Chamber of Commerce and Industry. The **3D TRADE CENTER** is a universal tool for local commerce and for Import / Export.
